BECOME A COLUMBIA FARMERS MARKET SPONSOR!

WHO WE ARE

The mission of Columbia Farmers Market is to provide a space for our vibrant community of growers, producers, and makers by supporting, educating, and expanding sustainable mid-Missouri agriculture. By facilitating this community resource, we strive to strengthen relationships between local food producers and food consumers by educating, nourishing, and making local food accessible for all people in our community.

Columbia Farmers Market (CFM) is a local, producer-only farmers market. All vendors come from within a 50-mile radius of Columbia, and all goods sold are grown, raised, or made by our vendors. One of the most anticipated, recurring events for locals and newcomers alike, the market hums to life every Saturday, bringing together farmers, artisans, and customers from all walks of life.

Since its first year in 1980, CFM has grown from a small, modest operation to a thriving, non-profit business in the community. Today, CFM boasts a permanent home in the form of the MU Health Care Pavilion, nestled within Columbia's Agriculture Park. This structure provides a hub for the market alongside other valuable park assets, such as an urban farm, greenhouse, and a schoolhouse for children, enriching the community experience for all.

As a 501(c)3 nonprofit, CFM relies on grants and membership fees to sustain its operations. We need your support to continue to provide the community with access to high-quality, locally-produced food, a vibrant community marketplace, and to keep market fees at a reasonable price for our producers. These sponsorships play a crucial role in covering essential expenses like rent, insurance, staffing, and special programming, enabling CFM to fulfill its mission and serve the community effectively.

With over 177,000 customers served in 2025, CFM is ideal for local businesses to connect with the community. As many of our customers come to engage, learn, and try new things, making your brand visible at CFM is an excellent way to market your business.

Sponsor candidates are evaluated individually to ensure there is no direct conflict with CFM's mission. By sponsoring Columbia Farmers Market, your organization shows a shared commitment to fostering a community that supports our local farmers and producers.

By supporting Farm to Pavilion, you're investing in a vibrant local food community and ensuring continued access to fresh, local food for all.

OASIS BOOTH SPONSOR

The Oasis Booth is the central hub of Columbia Farmers Market, providing essential services that make the market accessible and welcoming. It sells cash-value tokens for customer convenience, manages all food incentive programs, assists SNAP and WIC customers, sells merchandise, and serves as the go-to spot for market information. A sponsorship supports the operations that keep these critical programs running—ensuring families can access fresh, local food, vendors can reach more customers, and the market remains a thriving community space. Your support helps sustain food accessibility, local farmers, and a stronger local food system.
